Ocean Bank Lends \$3.9 Million for Purchase of \$5.2 Million**

MIAMI, May 20, 2026 – Internationally acclaimed artist Romero Britto has purchased a warehouse and additional land adjacent to the famed Britto Palace, the Britto Group’s global headquarters, located in Miami’s Little River Neighborhood.

Britto acquired the 57,187-square-foot lot and 10,750-foot warehouse directly across the street from Britto Palace for \$5.2 million, with a purchase loan of \$3.9 million from Ocean Bank.

Through its global brands, the Britto Group has a diversified profile of business lines in fine art, consumer goods, retail, brand licensing, real estate, hospitality, skin care, and spirits.

“We are happy to add to Britto Group’s real estate portfolio this property next to our headquarters as we believe that Little River will be the next Wynwood,” said Britto Group’s CEO Dr. Lucas Vidal.

“The Ocean Bank team was pleased to work with Romero Britto, Lucas Vidal and the rest of their leadership team in providing financing for this important acquisition,” said Manuel del Cañal, Executive Vice President and head of the Bank’s Wealth Management Division.

“We look forward to supporting the Britto Group with their future projects,” said Vice President of Private Client Services Wilfred Becerra. Becerra and Luis Mion, Senior Vice President and Private Client Services Manager, arranged the loan for Ocean Bank.
